Issue 24

October 2014

Keepers Year In Review

Keepers Seven included 80 members playing 23 events, over 600 competitive rounds, \$5800 in Keepers Kash Sweeps shared by 41 of our members, and over \$8,000 going to our community service initiatives. We continue to promote a program that emphasizes comraderie, support of the Woodmont golf program and facilities, respect for the game, and an innovative competitive spirit. Thanks to all of The Keepers for their participation this past year.
