Issue 26

October 2016

Keepers Year In Review

Our Keepers Ninth Year included 92 members playing 19 events, over 650 competitive rounds, with \$5400 in Keepers Kash Sweeps shared by 32 of our members, and over \$11,500 going to our community service initiatives. We continue to promote a program that emphasizes comraderie, support of the Woodmont golf program and facilities, respect for the game, and an innovative competitive spirit.
