Keepers Year In Review

Over 110 members participated in our Eleventh Year of Keepers Komraderie. This included 18 events, over 750 competitive rounds, with \$6,000 in Keepers Kash Sweeps shared by 42 of our guys, and over \$12,600 going to our community service initiatives. The Keepers continue to promote a program that emphasizes komraderie, support of the Woodmont golf program and facilities, respect for the game, and innovative service initiatives helping worthy organizations locally and nationally.
