

ODE TO MOE- PART DOUZE

Mighty Moe won the Keeper's Kup,
In year 1 and again in year 9,
Most Keepers would be satisfied with that record,
And the world would seem mighty fine.

But was this champion happy,
No, he was not,
Because his trophy case needed another prize,
Awarded to the winners of the series called Alternate Shot.

With Len the Plumber at his side,
And his PXG clubs with custom shafts,
They beat out Mike Fisher and Ronnie Rosenberg,
Not by a full point, but by merely a half.

But tonight we are here to toast,
Marc Birnbaum you see,
The 2018 Keepers Kup champion,
Who celebrated sweet victory.

Marc played well all year,
Then in the Finale he managed to seal the deal,
He showed one and all,
That he was no ordinary schlemiel.

He led going into the Finale,
And held his serve,
While the others on the leaderboard,
Showed that the Keepers Kup is one that Marc deserved.

However, there was one man,
Who started the day far back in the pack,
His name was Fisher, not Mike, but Don,
Who demonstrated that he was no hack.

Don fought hard,
And won the Finale with a net 67,
He managed to surge all the way,
From 17th place to a lofty 2nd.

The Keepers ranks have swelled,
And grown to well over 100 strong,
Our lofty standard for admission,
Is that you pay to belong.

Managing these troops has become a prodigious endeavor,
To herd all these cats you need to be quite clever,
Thankfully, and with appreciation from the bottom of our hearts,
We have Mighty Moe to organize our carts.
