Dear Keepers,

On behalf of Friends of Israel Disabled Veterans and the people we serve, I thank you all for the gift of \$1,500 (CK. #1028), received December 27, 2019. We are very grateful for the support of The Keepers.

The need is always great. This generous and always timely support helps Beit Halochem to serve Israeli disabled veterans and terror attack survivors: the young, most severely disabled, the men and women who are now "senior citizens" attending our special Gil-On Clubs, and everyone in between. Beit Halochem helps them all to rebuild their lives with strength and courage. Thank you!

One of the many persons helped by the ongoing generosity of The Keepers, Michal G., started her life over after being gravely wounded in a suicide bombing which caused her to lose both legs. She had a very hard time coming to terms with being disabled and wheelchair bound. "It was only at Beit Halochem that I started to feel comfortable," she notes. "The physical and emotional help I received at Beit Halochem made it possible to come out of my depression and face life again."

This just one person, among the 51,000 men and women we serve, who benefits from the support of good friends like The Keepers. Thank you again for making this critically needed aid available to help Israel's heroes at Beit Halochem in a very impactful way. To read more about the men and women of Beit Halochem, and their roads to recovery, please visit the "Heroes" section of our web site: www.fidv.org.

We cannot thank you enough for the deep commitment to help. Working together we can help ensure that these brave heroes succeed in their challenging struggles. They deserve the best, and the best is Beit Halochem. The partnership of The Keepers is crucial to our success. We cannot do this without you!

With best wishes,

Ella Levine, National Executive Director
