Keepers Year In Review

128 members participated in our Thirteenth Keepers Kampaign. The Kovid shortened season included 10 events, over 600 competitive rounds, with \$5,500 in Keepers Kash Sweeps shared by 43 of our guys, and \$17,000 going to our kcommunity service initiatives. The Keepers continue to promote a program that emphasizes playing with friends, support of the Woodmont golf program and facilities, respect for the traditions of the game, and innovative community service initiatives helping worthy organizations locally and nationally.
