The Latest Happenings of The Keepers

Issue 31

September 2021

## Keepers Year In Review

The fourteenth year of The Keepers included 128 guys participating in 16 events, over 600 competitive rounds, with \$8,400 in Keepers Kash Sweeps shared by 59 of our guys, and \$21,000 going to our community service initiatives. The Keepers continue to promote a program that emphasizes playing with friends, support of the Woodmont golf program and facilities, respect for the traditions of the game, and innovative community service initiatives helping worthy organizations locally and nationally.
