Issue 32

September 2022

Keepers Year In Review

In our fifteenth year The Keepers included 122 guys participating in 18 events, close to 800 competitive rounds, with \$10,700 in Keepers Kash Sweeps shared by 64 of our guys, and \$15,000 going to our kommunity service initiatives. The Keepers program is built around playing with friends, support of the Woodmont golf program and facilities, respect for the traditions of the game, and innovative community service initiatives helping worthy organizations locally and nationally.
